

CLIFF STOREY AWARD

In late May, Cliff Storey was awarded a Ray Aviation Scholarship from the Experimental Aircraft Association for \$12,000 toward a private pilot license training. The award committee noted his membership at Skyline Soaring, and a reference supplied by Joel Hough as reasons that contributed to his selection. Cliff soloed late last year and was signed off for the PW5 in April. Cliff is looking forward to the WOT and will start powered training in the fall.

REVENUE AND EXPENSES PRIMER

Ralph Vawter

Skyliners – Please note that our revenues are approximately \$22k below our expenses as of June 25, 2025. The club needs your participation in flying activities to overcome this shortcoming. Should the club not achieve a positive revenue vs. expenses by the end of the year, the Board may vote to make some arrangement to rectify the situation. The better way is for us to get out to the airport, fly and fly some more and get some tangible value for our dollars.
